ISIAQ Corporate Membership

International Society of Indoor Air Quality and Climate (ISIAQ) - Corporate Membership

ISIAQ is an international, independent, multidisciplinary, scientific, non-profit organization whose purpose is to support the creation of healthy, comfortable and productivity-encouraging indoor environments. The 500 Members of the Society include:

- Scientists involved in all aspects of indoor air quality
- Governmental and regulatory professionals
- Medical practitioners
- Occupational and environmental health professionals
- Architects
- Building owners and managers
- Building, construction and air-conditioning engineers
- Building products manufacturers
- Environmental lawyers
- Consultants to the building industry

Benefits of Corporate Membership

Corporate members receive the equivalent benefits of two regular individual memberships with the flexibility of use by different individuals. These include:

- Participation in the technical work done in the ISIAQ Task Forces
- Two copies of the *Indoor Air* journal with online access
- Registration discounts to Healthy Buildings and Indoor Air Conferences for two persons
- The organization's name and contact information listed on each issue of the ISIAQ Newsletter
- The organization's name and logo listed at <http://isiaq.org> web page with a link to the organization's web page
- Possibility to state "Corporate Member of ISIAQ" in organization's stationary and web page
- ½ page of free advertising space in the *Indoor Air* journal each year
- 1 page of free advertising space in the Newsletter each year
- A discount of 10 percent off regular prices for additional advertising purchases
- ISIAQ Corporate memberships are available for US\$950/year with discounts for multi-year membership
