

Nordic Indoor Air Update 2010

SWESIAQ/ISIAQ Regional Conference on Indoor Environment

Stockholm 2-3. December 2010

This conference will give an update on standpoints in indoor air research and practice. It will cover a broad area of topics including microbiology, chemical exposures, particles, thermal effects, indoor dampness and building practice, Nordic guidelines and regulations, psychology, and health effects. The conference is a regional, Nordic conference attractive for researchers, consultants and building industry professionals, from Sweden and other countries. Speaker sessions will be held in English and Scandinavian language (Swedish). Interpreting services are available free of charge.

Location: The conference will be held at Täby Park Hotel, situated between Stockholm and Arlanda International Airport (www.tabypark.se, site available in English). Airport coaches depart from Arlanda every 10 minutes and stop outside the hotel. There are also commuter trains from Stockholm City, travel time about 20-25 minutes. Double rooms (special price 950 SEK) and single rooms (special price 700 SEK) are available at the hotel.

Conference fee: 4000 SEK plus compulsory membership in ISIAQ (800 SEK discounted fee) and for Swedish participants also compulsory membership in SWESIAQ (200 SEK discounted fee).

Early bird fee: Participants registered by 1. September 2010 get an extra 500 SEK discount.

Currency: 1 EUR = about 10 SEK, 1 USD = about 8 SEK

Translating service: Technical equipment and a professional interpreters (Scandinavian-English and vice versa) will be available free of charge.

Conference update's service: By sending an email to: conference2010@swesiq.se you will get automatic updates on conference info and news.

Exhibition's area: An 250 m² exhibition area is available adjacent to the conference. Five minutes "Speaker's corner" sessions for exhibitors will be included in the program.

Exhibition fees: 6000 SEK per 25 m² exhibition area. "Speaker's corner" session: 4000 SEK extra.

Documentation: All presentations at the conference will be collected on an USB memory stick and included in the conference fee. Updates and documentation from workshops and discussions will be available for download on www.swesiq.se.
